EXPERIENCE SENTOSA’S BEST
Welcome to Sentosa, the world-famous island getaway and gateway to endless fun and adventure.

This passport takes you on a whole day of fun, fabulous flavours and exciting experiences.

Before you begin your journey, why not get into the Singapore spirit and be like a Sentosa islander? Let us give you some tips.
Embrace local lingo and feel like you're at home in this amazing island! Singlish - a hybrid language that blends elements of English, Chinese, Malay and Tamil. It's one of the things that makes Singapore so unique.

**Lah**
Usually used to mark the end of a sentence.
E.g. OK lah. Thank you lah. Happy lah.

**Leh**
Used at the end of sentences to turn them into requests.
E.g. I want a drink leh.
Guide me to my room leh.
Tell me where to hail a cab leh.

**Wah**
An exclamation. Used like “Wow!”, “What???” or “Really???”.
E.g. Wah! This cocktail is really good.

**Shiok**
Means “Makes me feel great!”.
E.g. Dinner was shiok!

**Alamak**
Means “Oh my goodness!”.
E.g. Alamak! I need help with my luggage.
